Certificate of Completion

Once you have passed the final examination for all enrolled courses, Anthony Schools will provide you with an official Certificate of Completion within 3-5 days from the date your last exam results are received in our office. Your Certificate will indicate the number of credit hours earned, and the course-approval category. If you should misplace or lose your Certificate, Anthony Schools maintains College Level records indefinitely and Continuing Education records for a minimum of 5 years and will issue a duplicate Certificate upon request. The fee for a Duplicate Certificate is \$15 each, payable by check or credit card.

Course Completion Time Limits

The enrollment period for every Anthony Schools course is 12 months. If you are unable to complete your course within the stated time period, you may purchase an extension for an additional fee. For DRE approved College Level courses, the minimum completion time allowed by the DRE is 2 ½ weeks (18 days) per course. For example, the DRE will not permit you to complete 2 courses in less than 5 weeks (36 days). In addition, should you fail a College Level exam, there is an additional 18 day waiting period before you are allowed to re-take that exam; there is no waiting period for failed Continuing Education exams. For DRE approved Continuing Education courses, the completion time in days (any fractional portion equals an additional day) is determined by dividing the number of approved hours by 8 hours per day. For example, a 12 hour course equals 2 days (12 divided by 8, equals 1.5, so it is 2). You may not take the final exam to complete the course until the minimum completion time has been satisfied. The clock starts on the day you have access to course material.

Dismissal for Unsatisfactory Attendance

For residence courses (mandatory attendance), attendance in at least 90% of a course offering is required. An instructor may authorize make up work for up to 10% of a residence course offering if arranged with the instructor's approval in advance. Mandatory attendance is not required for approved correspondence courses.

Grading System

In order to pass a course, you must achieve a minimum score on the course final exam. For all DRE approved courses, the minimum is 60%. The passing score for other courses (e.g. OREA), is course dependent.
